UPCOMING LUNCH & LEARN

SECURING YOUR BUSINESS FOR 2019

SPEAKER

MIKEN TECHNOLOGIES
Michael J. Smith, PhD
President

Security breaches, cyber attacks and criminal hacking were responsible for major losses to both large and small businesses in 2018.

How will you secure your business in 2019?

In this Lunch & Learn event, we will demonstrate how your business can take steps to safeguard itself from advanced threats by learning about the latest cyber protection tools and methods.
