Lunch & Learn

Reclaim Your Time Retrieve Information Within Seconds

Join us for this free informational lunch & learn session where you will learn how you can:

- Scan, Print, Email, and Import documents into a system that automatically indexes important information for quick retrieval.
- Save on costs associated with printing, storing, and searching for documents.
- Streamline business processes for more efficiency and better customer/vendor support.
- Access important files and documents on your phone or tablet device from any location.
- Free up office space clutter taken up by file cabinets and paper documents.
- Become a digital-first business by ushering your paper processes into the digital age and more!

Wednesday May 25, 2022

11:30am - 12:30pm
